

1. Introduction

The purpose of this survey is to aid in the creation of an online academic registry of all known educational programs that offer a degree or certificate in Facilities Management. With this tool, students, teachers, and industry professionals will be able to discover programs and communicate with one another in order to further strengthen the industry.

Completing this survey will benefit your institution by:

- Promoting your FM offerings to a broad audience of interested individuals.
- Supporting program collaboration by providing contact, location, and degree information.
- Enhancing FM career awareness across a wide spectrum of individuals.
- Creating a relationship with the IFMA Foundation, and, if applicable, beginning the steps towards program accreditation.

This survey contains 14 questions, and should take 10-15 minutes to complete.

2. Directions

To expedite the process of collecting program details, this survey has been created for you to complete. In order to standardize the program information, some questions will have a set list of answers to select from. Please select the most appropriate answer in this case. Questions highlighted in red must be answered. If you have questions about this survey, please contact LJackson@fmsystems.com
